WHAT:

We have partnered with Zoghby's Uniforms and selected a new plaid that will be manufactured for many years to come. The new plaid replaces both old patterns and will be the used from the next school year forward. The school dress code/uniform policy will be updated in the 2017-2018 Student Parent Handbook.

WHEN/WHERE:

Zoghby's will be at PA on Thursday April the 20th from 11am to 6pm to measure our students for the 2017-2018 school year. If any Parents would like to come to the school, Zoghby's will be available in the Band Room from 3-6pm.

WHY:

The previous two patterns our school has had are discontinued and increasingly difficult for our Parents to find. Both the dress and daily uniform items will be provided through Zoghby's.

HOW:

- Order by phone or Website. (Patrician Academy will have a page on the Zoghby's Website that lists all uniform Items)
- If any of the sizes change over the summer Zoghby's will exchange the sizes at no cost.
- The plaid is a poly/cotton blend that will hold pleats, not wrinkle easily, and can be easily hemmed and let out as needed.
- PA designated uniform items will come with the embroidered school crest at no additional cost.
